The Fund for West Palm Beach Police will host the 7th annual ***RUN WITH THE COPS 5K*** on Sunday, April 16, 2023, along beautiful downtown Flagler Drive near the Meyer Amphitheatre. We invite everyone who recognizes the importance of supporting police officers and enhancing community relationships to come out to our event. In addition to the 5K there will be a kids' one mile fun run and 100-yard dash for the little ones!

The Fund is a non-for-profit 501(c)(3) company. Its mission is to support the officers who ensure that our community remains a safe and viable city. Operating at maximum effectiveness often goes beyond what local city budgeting can bear. The Fund supplements operational needs and financial limitations for our officers in blue.

By supporting ***RUN WITH THE COPS 5K*** your contribution is an investment in improving public safety and the quality of life in West Palm Beach.

The Fund underwrites community programs including Cops & Scholars, academic scholarships, and Christmastime "Shop with a Cop". Additionally, The Fund assists officers who experience a catastrophic family event.

We invite you to become a race sponsor as listed in our Sponsorship Level information sheet. Each sponsorship level affords business recognition and promotion on printed materials, Race and Fund websites, runner email blasts, and runner t-shirts. Additionally, your promotional items can be included in the runners' goodie bags.

RUN WITH THE COPS 5K is a Fund outreach event to support the City's finest and raise awareness of the role police play in our daily safety and wellbeing. Through support like yours we strengthen the officers who protect our growing city.

All proceeds benefit The Fund for West Palm Beach Police

The Fund for West Palm Beach Police (a not-for-profit 501(c)(3) company) was created to serve and protect the very people who ensure that the community remains a safe, vibrant world-class city.

For them, operating at maximum effectiveness often goes beyond what local budgeting can bear. Working within the requirements of city government and police leadership, but outside the confines of local budgeting, "The Fund" supplements operational needs and financial limitations for WPB's finest.

Also, by supporting these first-responders needs, resources become an investment in improving public safety and enhancing residents' quality of life.

It's a community, after all, and communities become stronger when individuals have each others' backs. To the police of West Palm Beach, we're on our way
